

Putting Color on the Face of the World

Opening: June 16th - 3.00 pm - Klinkenberggalleries

From June 12th- 14th there will be an International Painting Symposium at Mooofs in The Hague. It will be the first international symposium of painting, to give an opportunity to the avant-garde artists from different countries: Afghanistan, Iraq, Ecuador, Azerbaijan and the Netherlands to work together with artists from Iran, get close, exchange, become friends and see the dynamics and the effect of this colorful atmosphere on their artwork in the process.

The results will be presented in a group exhibition at Pulchri Studio:

June 16th – July 8th Klinkenberggalleries

The Symposium is organised by: www.mythraqallery.com
